Welcome home to this 3 bedroom, 3½ bath home with custom cherry cabinetry throughout, oak floors, a security system, gated entrance, paved driveway and much more.

Only two miles from the Cashiers Crossroads, this custom home offers amazing sunsets and unparalleled views of Yellow Mountain, Little Terapin Mountain, Lake Glenville and beyond.

Enjoy the views through the wall of glass in the great room or relax in front of the stacked-stone fireplace. This spacious living area also has soaring ceilings, built-in cabinetry and French doors that open to the expansive viewing deck. The light-filled kitchen, featuring custom cabinetry, solid-surface counters and a breakfast bar, opens to the great room and dining area.

The generously-proportioned master suite, conveniently on the main level, has a cathedral ceilings, large walk-in closet and French doors that open to the deck. The custom master bath has a walk-in, tile shower and a dual vanity with solid-surface countertops.

The main-level guest suite has vaulted ceilings, a private bath and deck access. The additional bedroom suite is on the lower level and has a private bath.

It is situated on 4.47+/- private acres that may be subdivided. A second 3-bedroom septic, underground utilities and water have already been installed for a possible guest house site or to subdivide.
