**Chestnut Hill** is nestled on 5.36+/- acres in the heart of High Meadows. This beautiful 3 bedroom, 3½ bath home has outstanding indoor and outdoor living areas. The large master suite has patio doors that open to a viewing deck and a custom bath with an oversized jetted soaking tub. The living area has a stone fireplace, cathedral ceilings, hickory wood floors and doors that open to the outdoor living areas. Grab a book and delight in peaceful evenings on the covered decks and porches. Enjoy cooking in the gourmet kitchen with granite countertops, custom cabinetry and stainless steel appliances. The double carport is complete with a bonus room above and extensive storage. The terrace level is unfinished and would be ideal for additional living space. This magnificent home has views of Heady Mountain and Terrapin Mountain and is conveniently located adjacent to the community pavilion and meadow veranda.

Embrace the luxuries of fine mountain living while enjoying the tranquil and splendid setting of High Meadows. Only minutes from downtown Cashiers, this prestigious, gated community has miles of community trails and a community pavilion and picnic area, which is perfect for entertaining guests or hosting social gatherings.
